

## TEST PROTOCOL

Product types covered by this protocol:

**AVDO  
DN15-DN25**

Confirming that the items above have passed the following tests without any non-conformity:

Production test, 100% as stated in EN 215:

**The valves are tested after assembly for external leakage.**

Method:

The valve is submerged in water and tested with compressed air. The valve is checked visually.

The acceptance limit is calibrated to no visible water leakage, when tested according to EN 215.

Production sites:

Danfoss (Tianjin) Ltd.  
No.5 Fuyuan Road  
Wuqing Development Area  
301700 Tianjin  
China
